SERVICE AUTHORIZATION

JUS A-400 (7/98) (Reverse)

1. OFFER/ACCEPTANCE. This Service Authorization is an offer which becomes a binding agreement between the State and the Vendor upon commencement of work by the Vendor. Thereby, by commencement of work, the Vendor agrees to the conditions and specifications contained herein. The State reserves the right to cancel this offer at any time prior to commencement of work.

2. INDEMNIFICATION. The Vendor agrees to indemnify, defend, and save harmless the State and its employees from any claims or losses to any parties who supply goods or services in performance of this agreement and any claims or losses to any parties damaged as a result of the Vendor's performance of this agreement.

3. INDEPENDENT CAPACITY. The Vendor, and the agents and employees of the Vendor, in performance of this agreement, shall act in an independent capacity and not as officers, employees or agents of the State of California.

4. TERMINATION. After commencement of work, the State may terminate this agreement and be relieved of the payment of any consideration to Vendor should Vendor fail to perform the covenants herein. In the event of such termination, the State may proceed with the work in any manner deemed proper by the State. The cost to the State shall be deducted from any sum due the Vendor under this agreement and the balance, if any, shall be paid the Vendor on demand.

5. AMENDMENTS. These conditions may be altered in writing as agreed to by both parties prior to commencement of work. However, the project specifications and the cost estimate may be amended after commencement of work. The amendment must be documented using a second Service Authorization other than the original Service Authorization, with both parties indicating agreement by the Vendor's representative signing in the space provided and the State's representative signing as the Requester or the Approving Officer.

6. NONASSIGNMENT. Without written consent of the State, this agreement is not assignable by Vendor either in whole or in part.

7. CONSIDERATIONS. The agreed consideration to be paid to the Vendor shall be full compensation for all of Vendor's expenses incurred in the performance of this agreement.

8. WAGES. The Vendor shall pay his/her employees wages not less than those required by any applicable law.

9. LICENSES/PERMITS. The Vendor shall obtain, and at his/her expense, pay for all licenses/permits required by law for accomplishment of work performed in connection with this agreement.

10. NATIONAL LABOR RELATIONS BOARD. By acceptance of this agreement, the Vendor swears, under penalty of perjury, that no more than one final, unappealable finding of the contempt of court by a Federal Court has been issued against the Vendor within the immediately preceding two-year period because of the Vendor's failure to comply with an order of the National Labor Relations Board.

11. CONFIDENTIALITY OF DATA. Any information designated as confidential by the State and made available to the Vendor in performance of this agreement shall be protected by the Vendor from any use or disclosure except as specifically authorized in writing by the State.

12. AVAILABILITY OF FUNDS. Work to be performed under this agreement is subject to availability of funds through the State's normal budget process.

13. INVOICING AND TAX REPORTING INFORMATION. Upon completion of all work, the Vendor agrees to submit invoices in triplicate to: Department of Justice, Accounting Office, P.O. Box 944256, Sacramento, CA 94244-4256 and must reference the Service Authorization Number shown on the face of the Authorization. Also, a form STD. 204 must be submitted with the invoice. Failure to submit the form may delay payment. The form is needed to facilitate the State's

compliance with income tax reporting laws.

14. NONDISCRIMINATION. During the performance of this agreement, Vendor and its subcontractors shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40), or sex. Vendor and subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. Vendor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations Title 2, Section 7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12900 set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this agreement by reference and made a part hereof as if set forth in full. Vendor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

The Vendor agrees to include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this agreement.

15. DISPUTES. Except as otherwise provided in this Agreement, any dispute concerning a question of fact arising under this Agreement which is not disposed of by agreement shall be decided by the Department of Justice who shall reduce its decision in writing and mail or otherwise furnish a copy thereof to the Vendor. The Vendor has fifteen (15) calendar days after receipt of such decision to submit a written protest to the Department of Justice specifying in detail in what particulars the Vendor disagrees with the Department's decision. Failure to submit such protest within the period specified shall constitute a waiver of any and all rights to adjustment of the Department's decision and the Department of Justice's decision shall be final and conclusive. Pending final decision of a dispute hereunder, the Vendor shall proceed diligently with the performance of this Agreement.

16. DRUG FREE WORKPLACE CERTIFICATION. The Vendor agrees to maintain compliance with the drug free program specified in Government Code Section 8355; et seq.

The contractor, seller or lessor warrants and represents that the goods or services contracted, sold, leased or licensed herein are Year 2000 Ready. For the purposes of this contract, purchase or lease agreement, a good or service is Year 2000 Ready if it will continue to fully function before, at and after the Year 2000 without interruption and, if applicable, with full ability to accurately and unambiguously process, display, compare, calculate, manipulate and otherwise utilize date and time information. This warranty and representation supersedes all warranty disclaimers and limitations and all limitations on liability provided by or through the contractor, seller or lessor.

19. YEAR 2000 COMPLIANCE (Applies Only to Information Technology Products and/or Services). The contractor warrants that its hardware, software, and firmware products and/or services delivered under this contract shall be able to accurately process date data (including, but not limited to, calculating, comparing, and/or sequencing) from, into, and between the twentieth and twenty-first centuries, and the years 1999 and 2000 and leap year calculations to the extent that other information technology, used in combination with the information technology being acquired, properly exchanges date data with it. This warranty is subject to the warranty terms and conditions of this contract. Nothing in this warranty shall be construed to limit any rights or remedies the State may otherwise have under this contract with respect to defects other than Year 2000 performance.
